ROTARY CLUB OF WESTERVILLE, OHIO

A. MONROE COURTRIGHT VOLUNTEER SERVICE AWARD

SELECTION CRITERIA

1. Individuals, groups, organizations, businesses and industries are eligible to receive the award.

2. The award is intended to recognize outstanding volunteer service to the Westerville community. The absence of personal or family benefit, any form of compensation, etc. is essential. As an example, a charitable organization may qualify for the award based on the community service it performs, but the paid director of that organization does not.

3. Other considerations are the number of people and/or organizations benefiting from a nominee's service, the length of the commitment to service, the significance of the nominee's achievements, and any obstacles that were overcome to provide the service.

4. Public officials are eligible for the award, but only on the basis of volunteer achievement that exceeds the scope of their official responsibilities.

5. Applications submitted during the previous year will be considered for the current application cycle.
